c. Opening Date and Time / Location : Refer to Article 2 of this Announcement

### **6. Bidding Matters**

a. While the bid bond is waived according to local customs, companies that withdraw without valid reasons after submitting a bid application will be barred from participating in any contracting activities conducted by the unit for the next two years. To cancel a bid, a written bid cancellation request must be submitted directly to the contracting officer of the unit before the deadline for bid submission to be recognized as valid.

c. Submission of Application

1) Eligible bidders who have applied to participate in the bidding process as per Article 4 **must submit their bids by the deadline for bid submission.**

2) Bids cannot be submitted after the bid submission deadline.

3) After the bid opening, numbers drawn by bidders who are

determined to be ineligible for participation, or by bidders whose requests for bid cancellation have been approved, may also be considered in determining the estimated price.

d. Invalid Bid

1) This is in accordance with Article 39, Paragraph 4 of the Enforcement Decree of the National Contract Law, Article 44 of the Enforcement Rules thereof, and Article 12 of the Notification on Bidding for Commodity Purchase (Manufacturing) under the contract guidelines.

2) After the bid opening, numbers drawn by bidders who are determined to be unqualified to participate in the bid or those who have had their bids cancelled with approval may also be reflected in the determination of the estimated contract price.

**7. Joint Contract : Unallowed**

**8. Determination of Expected Price**

a. The basic preliminary price is the reference price for calculating multiple preliminary prices.

b. Multiple preliminary prices are prepared as 15 proposals based on the basic preliminary price, and in this case, the upper and lower limits of the range for calculating the multiple preliminary prices are fixed at -2% to +2%.

c. The estimated price (target bid price) is determined after the bid submission deadline by selecting four participants from the bidders to each recommend one of the multiple preliminary prices, and calculating the arithmetic average of these prices. However, if there are fewer than four bidders present at the bid site, public officials of the Republic of Korea who are not involved in the bid process will be selected for the drawing.

**9. Other Necessary Information Regarding Bidding**

a. Bidders must thoroughly understand the bidding information presented in the announcement (Purchase List, special contract conditions, etc.) before participating in the bidding process. Any responsibilities due to non-compliance or lack of understanding fall upon the bidders themselves.

b. Bidders are fully responsible for any issues related to weather or travel (such as visa issuance or flight cancellations) that may arise during their visit to the unit for the bidding process.

c. In the event of any dispute in interpretation between the languages used,

the Korean language shall prevail.

d. All times stated in the notice are based on South Sudan local time(UTC +2:00).  
e. Bidders interested in participating in this bid are considered to have submitted an Integrity Pact with their application. However, the successful bidder must submit the Integrity Pact in writing upon awarding of the contract.

**10. Matters Related To Bidding / Contract Regulations**

a. Bidders must read and understand the announcement and the regulations below, as they will be responsible for any consequences resulting from non-compliance. Additionally, there regulations will also apply during the conclusion and fulfillment of the contract.
